Dear Kelly,

Letter of Support

On behalf of Gore District Council, I am writing to express our strong support and appreciation for the valuable work undertaken by Neighbourhood Support Eastern Southland. Your efforts in building resilient, connected communities are vital to ensuring the wellbeing of our residents, particularly in critical welfare and logistics areas, both in preparation for and during emergency situations.

Your ability to mobilize community networks, supported by your in-depth local knowledge, complements the Council's own resources and capabilities. By working closely with your team, we can widen our database and on-ground knowledge to strengthen emergency preparedness and response frameworks. This collaboration ensures we are collectively better equipped to protect our most vulnerable residents and to address logistical challenges swiftly and effectively when crises arise.

Your dedication to fostering trust and coordination at the community level creates a solid foundation for effective emergency management. Whether through your proactive outreach, commitment to supporting isolated individuals, or the essential communication channels you maintain, Neighbourhood Support Eastern Southland plays a critical role in enhancing the district's resilience.

We look forward to continuing our partnership and finding new ways to collaborate in building a safer and more connected Gore District. Please know that you have our full support as you continue your outstanding service to the community.

Thank you for your ongoing commitment and the positive impact you make in Eastern Southland.

Yours sincerely,

Jason Domigan
General Manager Critical Services
Gore District Council
